

EPPCO ADVANCED 770X 20W-50

PRODUCT DESCRIPTION

EPPCO ADVANCED 770X 20W-50 is high performance diesel engine oil meeting the performance requirements of API CI-4 available in a shear stable viscosity grade. **ADVANCED 770X 20W-50** offers excellent performance to fleet operators providing optimum engine life in modern long haul diesel equipments operating for extended drain periods.

APPLICATIONS

- ◆ Mixed fleets of heavy duty & light duty diesel trucks
- ◆ Heavy duty Mobile Plant vehicles
- ◆ Off-road construction equipments
- ◆ Diesel generator sets

PERFORMANCE STANDARDS

ADVANCED 770X 20W-50 meet the testing requirements of following OEM and International Specifications:

API CI-4/SL
ACEA E7

Always follow equipment manufacturer's recommendations for required lubricant performance levels and oil drain intervals.

BENEFITS

ADVANCED 770X 20W-50 provides:

- ◆ Excellent engine cleanliness through advanced soot handling technology
- ◆ Mixed fleet capabilities
- ◆ Exceptional low engine wear
- ◆ Trouble free operation between long drain service intervals
- ◆ Helps reduce cost of operation

Technical Data	
SAE Grade	20W-50
Kinematic Viscosity mm ² /s @ 40°C	169.5
mm ² /s @100°C	18.6
Viscosity Index	123
Flash Point, COC, °C	252
Pour Point, °C	-27
BN No. ASTM D2896	10.5
Product Code	300039

*The information prepared provides the typical properties that are considered as representative. Some variation which will not affect performance is possible.

HEALTH AND SAFETY, ENVIRONMENT

The information on this product is available in the EPPCO Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information we recommend you review the MSDS. Handled correctly there are no special precautions suggested.
